Room 211
Gladish Community Center
115 NW State St

OPEN HOUSES FOR THE CITY'S COMPREHENSIVE PLAN UPDATE

The City of Pullman is holding a series of open houses to receive input from you and your fellow citizens about a land use plan to be incorporated into the City's Comprehensive Plan update. Your comments at these gatherings will be used in the formulation of the plan that will determine how and where growth will occur in our community over the next 50 years.

These open houses will provide an excellent opportunity for Pullman citizens to help shape the future of this community. At each session, various land use plan options will be displayed. Background material, including general information regarding the impacts of each land use plan alternative, will be available for review as well. Attendees will be invited to peruse the displays, and make verbal or written comments if they wish.

Drop in for a few minutes, or stay for a few hours—either way, the city encourages your participation in these important events. Refreshments will also be provided at each venue. We look forward to seeing you at the session(s) of your choice!
